Divya chaurasiya

Web Developer

About Me

A versatile professional skilled in developing, creating, editing, and sketching. With a thirst for knowledge and a passion for exploring various fields.

Projects

PROJECT 1

To-do List

created a to-do list using HTML, CSS and JAVASCRIPT which perfectly aligns the tasks and can cut or remove when done .

PROJECT 2

Currency Converter

Created a converter which converts one form of currency to another using HTML, CSS and JAVASCRIPT.

PROJECT 3

Virtual Labs

Have worked in virtual labs which consists upgrading the already existing virtual labs and creating newer ones'
